

## **Colorful Batik Workshop with Lian Sawires**

**Saturday, June 23, 10 am-4 pm**

**\$70 members | \$85 nonmembers**

**\$35 materials fee**

**No prior experience needed!**

The Batik method of surface design plus color makes for artful and complex art pieces. Work with master fiber and silk artist Lian Sawires, to learn how to use Fiber Reactive Dyes in conjunction with Soy wax batik for colorful, interesting art pieces. Use wax tools, winding, binding, clamping, bleach out and overdyeing to create visual texture in abstract or geometric patterns. No prior experience needed. Create three stunning scarves and build a solid skill base. Self-expression through dyeing is a wonderful way to explore individual creativity while having fun and producing great same-day results. What you create will amaze you! Bring your own fabrics to add to what is provided. Bring a lunch. ***\$35 materials fee payable directly to the instructor.***
