

Pen & Ink with Watercolor  
Tuesdays, March 24 - April 14, 2020  
10 AM - 12 PM

**General Supplies:**

Basic sketching supplies: **eraser** (kneaded eraser is best) • **pencil** (HB or 2B is fine, 2H if you have it) • **basic drawing paper** (printer paper is fine) • **tracing paper** • **ruler**

**Pen & Ink Supplies:**

**Sakura Pigma Micron pens** in black - 01 (.25 mm line), 03 (.35 mm line) and 05 (.45 mm line). These sizes are sold as a set or individually. Make sure you get black ink.

I will provide quill dip pen supplies for people to try in class.

**Watercolor Supplies:**

Basic watercolor supplies, including a **palette** (This can be as simple as a white or clear recycled microwave dinner container or plastic plate), and one large or two smaller **containers for water** (glass jars, plastic yogurt cups or containers, or similar items are fine).

**Watercolor paint** (either pans or tubes). Higher quality paint such as M. Graham, Grumbacher or Winsor & Newton will cost more, but produces better results (Grumbacher and Winsor & Newton do offer student lines, which allow you to get decent quality paint at a lower price). Bring just a basic color palette of paints. At minimum, have a red, a blue and a yellow. You will NOT need black or white.

140 lb. cold press **watercolor paper** pad (not a block) in the 8"x10" to 11"x14" size range. For a good quality affordable paper, I recommend Fabriano. Arches or Strathmore papers are fine, too.

An assortment of **watercolor brushes**, big and small. Synthetic or sable hair blend is fine. Try to have at least one larger round brush (size 8 - 14) and a smaller round brush (size 2 - 6). I'll have a few 1" flat brushes on hand, but if you have one, bring it along. If you have other watercolor or pen & ink supplies, feel free to bring them along, too.

I will have a selection of reference photos on hand, but if you want to bring your own, they should be clear reference photos with good detail of subjects such as landscape, animals, buildings, or objects, but not people.

Questions? Email me at [gsivitzart@gmail.com](mailto:gsivitzart@gmail.com) and please put "Pen & Ink Watercolor Class" in the subject line.
